A BILL

To provide for certain benefits of the Missouri River basin Pick-Sloan project to the Crow Creek Sioux Tribe, and for other purposes.

1 *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 *This Act may be cited as the “Crow Creek Sioux Tribe
3 Infrastructure Development Trust Fund Act of 1996”.*

4 **SEC. 2. FINDINGS.**

5 *(a) FINDINGS.—The Congress finds that—*

6 *(1) the Congress approved the Pick-Sloan Mis-
7 souri River basin program by passing the Act of De-
8 cember 22, 1944, commonly known as the “Flood
9 Control Act of 1944” (58 Stat. 887, chapter 665; 33
10 U.S.C. 701–1 et seq.)—*

11 *(A) to promote the general economic devel-
12 opment of the United States;*

13 *(B) to provide for irrigation above Sioux
14 City, Iowa;*

15 *(C) to protect urban and rural areas from
16 devastating floods of the Missouri River; and*

17 *(D) for other purposes;*

18 *(2) the Fort Randall and Big Bend projects are
19 major components of the Pick-Sloan program, and
20 contribute to the national economy by generating a
21 substantial amount of hydropower and impounding a
22 substantial quantity of water;*

23 *(3) the Fort Randall and Big Bend projects over-
24 lie the western boundary of the Crow Creek Indian
25 Reservation, having inundated the fertile, wooded bot-
26 tom lands of the Tribe along the Missouri River that*

1 *constituted the most productive agricultural and pas-*
2 *toral lands of the Crow Creek Sioux Tribe and the*
3 *homeland of the members of the Tribe;*

4 *(4) Public Law 85-916 (72 Stat. 1766 et seq.)*
5 *authorized the acquisition of 9,418 acres of Indian*
6 *land on the Crow Creek Indian Reservation for the*
7 *Fort Randall project and Public Law 87-735 (76*
8 *Stat. 704 et seq.) authorized the acquisition of 6,179*
9 *acres of Indian land on Crow Creek for the Big Bend*
10 *project;*

11 *(5) Public Law 87-735 (76 Stat. 704 et seq.)*
12 *provided for the mitigation of the effects of the Fort*
13 *Randall and Big Bend projects on the Crow Creek In-*
14 *dian Reservation, by directing the Secretary of the*
15 *Army to—*

16 *(A) replace, relocate, or reconstruct—*

17 *(i) any existing essential governmental*
18 *and agency facilities on the reservation, in-*
19 *cluding schools, hospitals, offices of the Pub-*
20 *lic Health Service and the Bureau of In-*
21 *dian Affairs, service buildings, and em-*
22 *ployee quarters; and*

23 *(ii) roads, bridges, and incidental mat-*
24 *ters or facilities in connection with such fa-*
25 *cilities;*

1 (B) provide for a townsite adequate for 50
2 homes, including streets and utilities (including
3 water, sewage, and electricity), taking into ac-
4 count the reasonable future growth of the town-
5 site; and

6 (C) provide for a community center con-
7 taining space and facilities for community gath-
8 erings, tribal offices, tribal council chamber, of-
9 fices of the Bureau of Indian Affairs, offices and
10 quarters of the Public Health Service, and a
11 combination gymnasium and auditorium;

12 (6) the requirements under Public Law 87-735
13 (76 Stat. 704 et seq.) with respect to the mitigation
14 of the effects of the Fort Randall and Big Bend
15 projects on the Crow Creek Indian Reservation have
16 not been fulfilled;

17 (7) although the national economy has benefited
18 from the Fort Randall and Big Bend projects, the
19 economy on the Crow Creek Indian Reservation re-
20 mains underdeveloped, in part as a consequence of the
21 failure of the Federal Government to fulfill the obliga-
22 tions of the Federal Government under the laws re-
23 ferred to in paragraph (4);

24 (8) the economic and social development and cul-
25 tural preservation of the Crow Creek Sioux Tribe will

1 be enhanced by increased tribal participation in the
2 benefits of the Fort Randall and Big Bend compo-
3 nents of the Pick-Sloan program; and

4 (9) the Crow Creek Sioux Tribe is entitled to ad-
5 ditional benefits of the Pick-Sloan Missouri River
6 basin program.
